## SAMPLE ITINERARY

### Day 1

Welcome to Spring Creek Ranch! After settling in meet one of Snake River Angler's elite fishing guides for dinner at the Granary Restaurant. Enjoy a three course dinner and get any of your questions answered. We highly recommend the elk tenderloin.

### Day 2

Your personal fishing guide will pick you up at the Ranch House at 6:30am to head up into Yellowstone National Park. A carry out breakfast will be prepared for you to bring along. Yellowstone offers some of the most

storied water in the world of fly fishing. The abundant wildlife of our Nation's first national park is an added bonus to one of the great fly fishing venues in North American fly fishing. Lunch will be enjoyed lakeside.

### Day 3

After breakfast at The Granary, get ready to fish the meandering Snake River! Your guide will pick you up at the Ranch House at 8am to head up into Grand Teton National Park. These are considered amongst the most beautiful sections of river in the country, with majestic views of the Teton Range. Lunch will be enjoyed right on the river.

### Day 4

Enjoy breakfast at the Granary before your departure, or add on a few extra days for some more Jackson adventures. We hope to see you back at the Ranch!
